

Rockville Rainscapes Rewards Rain Barrel Rebate Application

Rainwater harvesting equipment captures rainwater runoff and reduces the amount of stormwater entering local streams, which leads to reduced chemical and nutrient pollutants entering waterways. Another environmental benefit of this equipment is water use for irrigation during droughts.

The program also offers rebates for **conservation landscaping** and **planting trees**. For the most up-to-date information regarding the City of Rockville's RainScapes program please visit:

Who Is Eligible

- To participate, your residential property must be located in the City of Rockville.
- Projects are **not** eligible if they are associated with permit approval requirements for new building construction, additions, or renovations.
- Projects that are partially or completely finished before approval will **not** qualify for rebates.
- All requirements as outlined below, in the application, and in the *Design Criteria and Guidelines for Project Eligibility* (attached) must be met. All decisions are final and are at the sole discretion of the City of Rockville.

Application Process & Requirements

- 1. Submit your application, property owner agreement, and “before” photos for approval.**
Complete applications should be e-mailed to the RainScapes Coordinator at rainscapes@rockvillemd.gov or mail to 30 Courthouse Square, Rockville MD 20850.
- 2. Receive application approval from RainScapes Coordinator.**
Wait to receive application approval from the RainScapes Coordinator before beginning the project. Please allow three weeks for processing. Projects must be completed within three (3) months of approval.
- 3. Begin and complete your project.**
You must retain and submit itemized receipts and/or final invoices for all project costs. Documented costs must equal or exceed the rebate amount requested. The project must adhere to the most recent Design Criteria and Guidelines for Project Eligibility.
- 4. Final inspection.**
Call or email the City of Rockville RainScapes Coordinator at 240-314-8877 or rainscapes@rockvillemd.gov to schedule a final inspection. Inspections will generally be scheduled within 10 business days. Submit itemized receipts and/or final invoice for all project costs. Photocopies are acceptable. At the final inspection, installation of the project will be verified, and the project area will be photographed.
- 5. Receive reimbursement check.**
If all requirements are met, the rebate will be approved, and a check will be issued by the City of Rockville's Department of Finance within three (3) to six (6) weeks.

Please mail or e-mail the completed application with required information and **wait to receive approval** from the City of Rockville. If you have any questions please contact the RainScapes Coordinator at 240-314-8877 or rainscapes@rockvillemd.gov
